

Myponga Netball Club

SPONSORSHIP PACKAGE

OUR CLUB

Myponga Netball Club

The Myponga Netball Club (MNC) is located within the Myponga Memorial Community Centre and co-located with the Myponga-Sellicks Football Club, Myponga-Sellicks Cricket Club and Myponga-Sellicks Tennis Club. Myponga Netball Club is a highly regarded club within the Great Southern Netball Association (GSNA) and participates in the GSNA's Junior and Senior competitions.

The 2023 season saw 14 teams take the court across both the Junior and Senior age groups. Out of which, 5 teams were successful in making finals and our Senior 6's finished Runner Up. As we look to 2024, we hope to continue this momentum through ongoing player and coaching development.

As a club, we strive to support and encourage our members to achieve their personal best. This is consistently highlighted by the number of Myponga Players selected every year to represent the Great Southern Netball Association at both Regional and Country Championships. In addition to, a number of individual players, coaches and umpires recognised for their excellence at the annual GSNA Awards Night.

Myponga Netball Club welcomes players, parents, supporters, umpires, and sponsors to our club. As a club we are passionate about our role in the local community both on and off the court. We are dedicated:

- To promoting and expanding the sport of netball in our local area
- Investing time and training in junior development, and promoting good fellowship between members of the club and
- Promoting good sportsmanship between members of other clubs.

The club strives to provide a positive community experience for players, families, officials, and members of Myponga Netball Club which contributes to the success of the club and ensures the club meets its objectives.

CLUB HISTORY

Myponga Netball Club was formed in 1934 and won their first premiership in 1936. In those days all courts were dirt or more frequently mud and marked with lime. Prior to each season, the courts had to be scrapped of all grass and stones. A far cry from the conditions of today.

In 1941, all sporting activities were suspended indefinitely, while men and women played their part in World War 2. After the war ended the young people in the area were eager to resume their pre-war activities and in 1946 the Myponga Netball Club held its first AGM.

In April 1947, the club held a fete and unveiled the first asphalt court. Up until 1960 there were only two teams, but the club was able to field A, B, C and D teams with the D grade being junior level. In 1961, the Myponga Sporting Pavilion was erected, and the players had somewhere to change.

Myponga Netball Club attended their first Country Carnival in 1936 and the club continues to this day. In 1967 Myponga Netball Club left the Southern Association and joined the Greater Southern Association and in 1968 and 1969 the A grade won the premiership.

A grant from the Department of Recreation and Sport in 1986 enabled Myponga Netball Club to build clubrooms, giving the club a home of its own.

Since 1956 Myponga Netball Club has won 14 A Grade/League premierships and 105 premierships across other divisions.

LIFE MEMBERS

The Myponga Netball Club is grateful to those that continue their support for our club, and we are proud to have 22 Life Members.

SPONSORSHIP

Why Netball?

Netball has retained its position as the leading team sport and highest participation for females in sport across Australia. Every week, thousands of players and supporters head to courts to participate in or support the netballers. With this level of participation, nearly everyone knows a netballer and we'd like to help players and supporters learn more about your business, through the sponsorship of our Club.

Contributions

Sponsorship donations received from the community contributes to the running of our club including:

- purchasing and maintenance of equipment.
- coaching and umpiring courses and accreditations.
- maintenance and upgrading of facilities including netball courts and fencing, clubrooms.
- reduced registration fees for special circumstances.

As you can appreciate, the costs of maintaining a successful club such as ours, are ongoing and can be very costly, which is why the support of businesses such as yours, is an integral part of our club's success. To continue to be a powerful and successful club in the GSNA, the club would welcome your business sponsorship and offer three different sponsorship packages to recognise your valued support.

The Myponga Netball Club accepts and appreciates all forms of support. If your business is not in a position to support the club financially, there are other options available including:

- player awards (vouchers or gifts)
- value in kind (provide a service to the club)
- donations of prizes that can be used as fundraising items (goods, services or vouchers).

We hope you will be able to support Myponga Netball Club in some way and I look forward to discussing these options at your convenience.

Please do not hesitate to contact me or any of the Committee to discuss the aspects of your sponsorship, donation or other support.

Kind regards,
Joanne Boots
Sponsorship Coordinator, Myponga Netball Club
